Sir:

This letter is submitted to provide a record of the substance of the telephone messages left between Examiner Kopec and Applicants' representative, Garth M. Dahlen, Ph.D., Esq. (#43,575) on February 25 and 26, 2005 in connection with the above-identified application.

On February 25, 2005, Dr. Dahlen left a voice message with Examiner Kopec's voice mail indicating there was a typographical error in the Examiner's Amendment to claim 17 and in the Examiner's Reasons for Allowance dated January 27, 2005. Specifically, the

Examiner indicated that the range for the length of the major axis of the agglomerated particle is "20 to 100 m" when in fact the major axis of the agglomerated particle is "20 to 100 μ m".

On February 26, 2005, Examiner Kopec left a voice message with Dr. Dahlen's voice mail confirming that this was a typographical error and that the Examiner would issue a Supplemental Notice of Allowability to remove the typographical error.

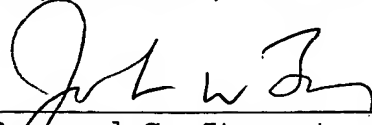

Applicants note with appreciation that the Examiner has mailed the Supplemental Notice of Allowability on March 4, 2005.

Should there be any outstanding matters that need to be resolved in the present application, the Examiner is respectfully requested to contact **Garth M. Dahlen, Ph.D., Esq.** (Reg. No. 43,575) at the telephone number of the undersigned below.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37 C.F.R. §§ 1.16 or 1.17; particularly, extension of time fees.

Respectfully submitted,
